Dear Henry and Dave,

I want to thank you for sponsoring the AES Toronto event with George Massenburg last night at Noble Street Studios.

This event was very much a collaboration of like minded individuals who are passionate about audio and its continued development as an art-form. You both were instrumental in bringing this meeting to life and your ongoing support of AES activities demonstrate your commitment to the community and your dedication to great audio.

Reiterating George's words, you are both "insanely great" and on behalf of the AES Toronto Executive Committee, and its members, I thank you again for your generosity and support.

Sincerely,

Robert DiVito
Chairman, AES Toronto
