social.**

The CBC Broadcast Centre has recently upgraded a number of their television production control rooms, audio post facilities and remote broadcast studios to handle 5.1 surround. Facilities were modified or redesigned, and several high profile shows are currently being produced in surround format.

Don Dickson, Senior TV Post Production Audio Engineer, Toronto Production Center, **Juri Nechaevski**, Systems Engineer Broadcast Engineering, CBC Network and **Brett Manion**, Senior Production Audio Mixer, Toronto Production Centre will present an overview of the upgrade processes and philosophies, and a tour of the upgraded facilities. (For bios, goto www.torontoaes.org).
